Subject: Privileged and Confidential EPA to ARB: draft NOV and Influenced Recall Denial
Attachments: 2015-12-30 NOV combined with rejection Draft 05 OTAQ comments.docx

Hi Annette,

Attached are comments from our technical team and EPA's Office of General Counsel on the draft NOV and recall denial letter. As far as I know, this reflects all of our likely comments. If I learn differently, I will let you know as soon as possible.

I understand that our enforcement colleagues and DOJ will send any comments they have separately (I assume to Todd Sax or Ellen Peter). Please let me know if you need us to follow up on those.

Thanks for sharing these with us. We appreciate the opportunity to review and share our thoughts.

Thanks,

Byron
